## UNITY OF THE BRETHREN

*Rev Freddy Yong, Lord's Day, 30 January 2022*

**W**hat destroys the unity of brethren? Our New Year has begun with the theme **“Behold, how good and how pleasant for brethren to dwell together in unity.”** Unity is compared with brethren dwelling together in harmony. It is a sweet

relationship when Christian brothers and sisters live in harmony with one another. However, there are some people out there, who are used by Satan to destroy this unity.

Knowingly or unknowingly, they whisper a bit of rumour of so and so a rouge, and so discredit one's dignity. Do you know what happens? Let me share with you a story.

Aesop tells us that 4 bulls were great friends. They went everywhere together, fed together, and lay down to rest together, always keeping so close to each other that if any danger were near they could all face it all once.

Now there was a lion that had determined to have them, but he could never get at them singly. He was a match for anyone alone, but not for all four at once. However, he used to watch for his opportunity, and, and when one lagged the least bit behind the others as they grazed, he would slink up and whisper that the other bulls had been saying unkind things about him. This he did so often that at last, the four friends became uneasy. Each thought the other three were plotting against him. Finally,

as there was no trust among them, they went off by themselves, their friendship broken. This was what the lion wanted. One by one he killed them and made four good meals.

Do you see the detriment it causes? How unity is disintegrated? The Bible tells us, “Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour” (1 Peter 5:8). The Aesop fable told a story that is not without base,

the Bible warns us to be beware of Satan the devil is like a roaring lion that seeks to devour the spiritually weak Christians, especially those with itchy ears for a juicy piece of news.

What must we do to counteract the mishap? The Lord tells us, “Ye are the salt of the earth; but if the salt has lost his savour, wherewith shall it be salted? It is henceforth good for nothing, but to be cast out, and to be trodden unto the foot of men” (Matt. 5:13). What is good to be salt of this earth? Salt is used to preserve food from turning bad. So, a Christian on earth must preserve the society from going bad, especially the speech of man. The Psalmist asked and he answered, “What man is he desireth life, and loveth many days, that he may see god? Keep thy tongue from evil, and thy lips from speaking guile. Depart from evil, and do good; seek peace, and pursue it” (Ps. 34:12-14).
