"MAKING CHOICES"

Pastor Simon N., Lord's Day, 17 July 2022.

Brethren,
Greetings in the Name of our Lord and Saviour, Jesus Christ! Life has its defining moments and critical crossroads along the way. There are times without many choices given we decide our direction. In challenging times especially, how do we know we are making the right choice and getting on the right path?

Believers, the only right way to go is the way of the Lord. When we stand at the crossroads of life, we must first seek God and be guided by His Word. The Bible is the store house of invaluable insight and wisdom. It contains the whole counsel of God, applicable for all situations in life. Driving at night, on a dark rural road with the headlights off could be disastrous. Likewise, living life without the blessed illumination of the Word of God. "Thy Word is a lamp unto my feet and a light unto my path" (Ps 119:105). Making life choices without God's guidance has dire consequences. Many things in life aren't 100% guaranteed; however, if we chart a path that is not in line with the Word, we are "courting" trouble. God's Word reveals God's Will!

But what happens if we don't seem to be able to find a direct answer from the Bible to help us in deciding? For instance, when faced with a decision to buy or rent a house, will we find a "thou shalt not rent, thou shalt buy" in the Bible? Probably not! So, what then can we do? God invites us to prayer. "If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him" (Jms 1:5). Praying God for wisdom and searching for direction from His Word must go together. We don't know everything. But our omniscient God knows everything. We don't know what to do in a particular situation, pray! Often, we are quick to do things our way in

God's people have the Holy Spirit to lead us through the maze of life. "For as many as are led by the Spirit of God, they are the sons of God" (Rom 8:14). The Holy Spirit governs our minds, help recall Scriptures,

know and understand situation to avoid wrong decision. The good Lord has given us the Holy Spirit to lead and guide us. The Greek word "lead" means "to show the way, or to guide."

Thank God for blessing us with a community of matured believers like Pastors, Elders, church leaders and mature fellow believers to walk alongside and guide us toward a closer walk with God and help us "figure out" and fit into place the "puzzles" of life, in accordance to God's Will. The church has the responsibility before God to care for the brethren. "Bear ye one another's

burdens.." (Gal 6:2). Here again, I must underline the crucial role the SSG ministry could play in the lives of Galileans. Within a small circle of brethren, confidently, we can express our fears and concerns and seek prayer support and wise counsel to shed some light on our difficult times. The slogan is share, care and bear! Let's caringly listen to each other's struggles, pray, and seek God's Word together to discern the unique aspects of each situation and apply the best Biblically informed wisdom to the issue. God's way is the best.

Brethren, Christians are a very blessed people. We should fare well than anyone out there in the world. With God's unconditional love and care, His precious Word and the community of believers' support to help cope with our earthly challenges well to God's glory.
God Bless!
